## Updates & Park Improvements

### Troy Jeanne M. Stine Community Park Pavilion and Ice Skating Amenity: Opening Date Stated for End of Year

Stay tuned at [rec.troy.mi.gov/icerink](http://rec.troy.mi.gov/icerink) and in future Recreation Guides for updates.

This outdoor, interactive program highlights natural and local history of our region. Learn how people processed maple sugar in the past and see similarities in the collecting, boiling, and drawing off maple syrup today. Small groups will be guided along the trail and participate in activities to learn more about maple syrup making. Visit a historic sugar camp. Stop for a short visit to the Sugar Shed to see our wood-stoked evaporator in action. There will be maple syrup and maple cream to sample and a “take-home” children’s craft. Shop for Michigan-made maple syrup, cream, and more sold by the Troy Historic Village.

Tours last approximately 1¼ hours and start every quarter hour between 9 am and 3 pm. Register in advance for a specific day and time at [stagenaturecenter.org](http://stagenaturecenter.org).
