Sample Itinerary:

DAY 1 - Fly to Calgary and transfer to Banff to begin A TRIP OF A LIFETIME. The Canadian Rockies are North America's ultimate sight-seeing destination. Spectacular towering glacier capped mountains, emerald lakes and untamed wildlife make the Rockies one of the most memorable vacation destinations in the world. Stay (3) nights in downtown Banff at the Banff Caribou Lodge or the Motel Hotel Suites. Both are first class hotels with terrific downtown locations. (www.banffcariboulodge.com www.moosehotellandsuites.com)

DAY 2 - Cross the Continental Divide and set out for Yoho National Park with its towering waterfalls, spectacular scenery and Natural Bridge that spans Kicking Horse River. You'll see Emerald Lake, sparkling with the blue-green hue of a precious jewel. See the Spiral Tunnels cut through the mountains during the railroad's development and learn about Canada's rail system. Nothing captures the awe and wonder of Yoho National Park like the tremendous thunder of Takakkaw Falls. Plunging from a height of 1250 feet, Canada's second highest waterfall leaves everyone mesmerized. Conclude our day in Lake Louise and visit the spectacular Chateau Lake Louise Hotel. Surrounded by soaring mountain peaks, the majestic Victoria Glacier (most photographed place in the world), and a glistening emerald lake, the iconic Fairmont Chateau Lake Louise is a UNESCO World Heritage Site, and one of the most beautiful places you will ever visit!! Enjoy walking the stunning grounds, enjoy an easy hike along the lake, visit their specialty shops, and enjoy a few choices for casual dining.

DAY 3 - There is something deep within all of us that is stirred by the grandeur of our natural environment. Banff National Park, located in the heart of the Rockies, has some of the most awe-inspiring mountain scenery in the world. Tall rocky peaks, range upon range of towering mountains, open wooded valleys, crystal lakes, narrow canyons, slow moving glaciers and dazzling white icefields, all preserved in their natural magnificence. A tour of Banff National Park creates lifetime memories. Enjoy the afternoon at your leisure to explore Banff's world class downtown full of boutiques, specialty shops, galleries, cafes, pubs, etc. A special dinner is included tonight at the magnificent Banff Springs Hotel one of the world's great hotels.

DAY 4—En route to Waterton and Glacier National Park visit Head Smashed In Buffalo Jump, and discover one of the world's oldest, largest and best preserved buffalo jumps. The Jump bears witness to a method of hunting practiced by native people of the North American plains for nearly 6000 years. Later arrive in Waterton Lakes (Canada) National Park for (3) nights. The massive peaks of the Rocky Mountains surround us in this stunning mountain village. Clear lakes, thundering waterfalls, rainbow-colored streams and world-class scenery are on today's agenda. Waterton Lakes National Park borders Montana's Glacier National Park and the scenery is simply incredible! Dinner included. Lodging: Bayshore Inn or Glacier Suites (www.bayshoreinn.com or www.watertonsuites.com)

DAY 5—Spend the day exploring Glacier National Park and the Going-to-the-Sun Highway. Set in a rugged section of the Northern Rockies, Glacier Park is an unspoiled domain of alpine scenery, deep valleys, glacier peaks and cascading waterfalls. The Going-to-the-Sun Highway has been described as North America's Most Spectacular Drive. Special Red Jammer vehicles take us along what is know as "The Crown of the Continent". Dinner included.

DAY 6—All aboard the historic MV International as we cruise along the shoreline of beautiful Upper Waterton Lake and cross the International border to Goat Haunt, Montana. Discover the "Jewel of the Rockies" on this two nation boat cruise. Enjoy some leisure time this afternoon in downtown Waterton, a stunning village in the heart of the Canadian Rockies.

DAY 7—Fly home from Calgary.
